

Here is a step-by-step guideline you may follow for signing your child up for a swim meet on <http://www.fastswims.com>

Step 1. Go to <http://www.fastswims.com>.

Step 2. Create an account (with a password containing at least 1 letter and 1 number.) Or, if you have already created an account, Login.

Step 3. If you are opening an account for the first time, add your swimmer(s) to your account (you will need to verify using their birth date.)

Step 4. Select "actions" next to your desired meet ("PASA Last Chance for JO's CBA+") and click "Enter".

Step 5. Enter your swimmer into events (it should automatically pull their best times).

Step 6. Review, pay, and confirm entry!

Step 7. Receive a confirmation email.
